## Les Caves du Commandeur

Founded in 1913 in Montfort-sur-Argens, a beautiful village with the only Templar château in the Var region, Caves du Commandeur is situated on one of the best terroirs of mythical Provence between the Mediterranean Sea and the Gorges du Verdon canyon.

The vineyard is spread over the Côtes de Provence AOP and the Var IGP. The main grape varieties are Syrah, Grenache and Cabernet Sauvignon for red wines; Syrah, Grenache and Cinsault for rosés; and Vermentino (Rolle) for white wines.

The land enjoys a sunny Mediterranean climate with regular Mistral winds from the north. This special terroir coupled with sustainable agriculture practiced on nearly all of the parcels results in very fine wines with an incredible elegance.
