Le Domaine de Valensac

This vineyard stretches over 49 hectares, located next to the Mediterranean Sea (less than 10 km), in the Languedoc Roussillon, and benefits from a maritime influence and fresh soils, which are perfect conditions to produce well-balanced white wines.

Domaine de Valensac farms different classic grape varieties for this region, Chardonnay, Sauvignon, Merlot and Cabernet-Sauvignon (around 22 hectares), however it also has uncommon grape variety for Languedoc, just as Petit Manseng, Riesling or Petit Verdot.
